

ZendDbSchema_Db_Schema_AbstractSchema__construct

ZendDbSchema_Db_Schema_AbstractEntity\delete

ZendDbSchema_Db_Schema_AbstractEntity\save

ZendDbSchema_Db_Schema_AbstractSchema\refresh

```
graph RL; A[ZendDbSchema_Db_Schema_AbstractSchema\__construct] --> C[ZendDbSchema_Db_Schema_AbstractSchema\refresh]; B[ZendDbSchema_Db_Schema_AbstractEntity\delete] --> C; D[ZendDbSchema_Db_Schema_AbstractEntity\save] --> C;
```

The diagram illustrates a central node, 'ZendDbSchema_Db_Schema_AbstractSchema\refresh', which is highlighted with a gray background. Three arrows point towards this central node from the right. The arrows originate from three separate white rectangular boxes: 'ZendDbSchema_Db_Schema_AbstractSchema__construct' at the top, 'ZendDbSchema_Db_Schema_AbstractEntity\delete' in the middle, and 'ZendDbSchema_Db_Schema_AbstractEntity\save' at the bottom. All arrows are dark blue and converge on the right side of the central gray box.
